A special meeting of the Council was called on Sunday, Nov. 5, 2006, 10:15 AM, for the single item agenda to approve and forward the 2007 budget to the Voters' Meeting.

Jude presented the recommendation and figures for pastor's salary, which was received from Margo Pasha and Terry Utecht. Guy distributed revised copies of the budget explaining how it had been adjusted in accordance with the recommendation. Jude described the discussion which took place after Council, 11/1, for the purpose of resolving the concern raised about pastor's salary package. Guy explained a point about compounding the salary, which was tabled and forwarded to the incoming administration for January, 2007.

There were no questions or further discussion.

A motion to approve the entire revised budget with the recommended salary was made by Suzanne Cadley and seconded by Mary Gleeson. The vote in favor of adopting this budget was unanimous.

The meeting adjourned at 10:28.
