

Hosanna Lutheran Church
Special Voters Meeting/Parking Lot
(Pre-Approval Distribution)

Sunday, July 23, 2006

Jude Donovan, Congregational President, called the meeting to order, and John Hoener, Head Elder opened with prayer. Forty-eight (48), voter members were present.

Jude introduced a proposal to borrow up to \$5,000 from the Belleview fund (restricted) to pay shortfall. Milo Samson seconded the motion. The cost for repaving Hosanna's parking lot is \$23,600. Hosanna's part was to raise \$17,600.

Discussion: "What is the Belleview Fund?" Guy Larson explained Belleview Fund and Terry Utecht explained questions regarding the building fund, \$5,000 donation to Lutheran High and landscaping expenses. It was also noted that Thrivent would match \$1,200.00 of the funds we raise. Willa Bradshaw asked if we would only take out \$5,000. Jude stated we would only borrow up to \$5,000 from the Belleview fund to pay shortfall.

Discussion closed. Called for a vote to authorize borrowing up to \$5,000 from the Belleview fund (restricted), to pay shortfall, and to continue fundraising efforts to repay Belleview fund. John Hoener seconded. The proposal was supported and approved. Jude closed the meeting in prayer.
